Lucerne School

. Prior to 1907, the school system of Harrison Township consisted of eight one room schools, a two room school, and a struggling little high school in a room over Frushou's Hardware Store. The two room school was located on the site of the Christian Church in Lucerne. It was in this two room school that Mr. Jacob Kitchel, father of our coach, taught at one time.

Realizing the need for a building at Lucerne that would house both grade and high school, Mr. John Winn, trustee, assisted by his advisory board, Willard Winn, Issac Wilson, and G.M.D. Bell secured ground from Loren Frushour and built the north part of our present building. This new building completed in 1907 had two class rooms in the basement, two rooms on the first floor, and two rooms and an office on the second floor. It was heated by hot air furnaces but had no lights or water system.

Almost immediately consolidation of one room schools with the Lucerne school began. By 1914

Grubb's College, Morrison, Pig's Food, and Concord were transported to Lucerne. Consolidation made it necessary to enlarge the school building. Melvin Tucker, trustee, and his advisory board remodeled and enlarged the building in 1914. It then contained eight rooms, a large assembly, an office, and a full basement. Hot air heating system, a Delco electric light system, and a water system with inside sanitation were installed.

The new light plant failed to function on the night of the dedication of the new building, so oil lamps had to be used.

By 1926 consolidation of all district schools had been completed. More room was again needed, if our school was to function properly; so Mr. Floyd Burton, trustee, assisted by his advisory board: Wilbert Elliot, George Frushour, and Harry Winn made the last addition in 1928. The old part was again remodeled; two classrooms, a large assembly, and a gymnasium were added. The heating plant was changed to steam heat, the water and sanitary systems were enlarged, the old electric plant was discarded, and electricity was then secured from the Northern Indiana Power Company. The roof of the new part of the building was blown off twice. The boiler has blown up twice, but seems satisfactory now.

In 1935 Mr. Smith moved the Domestic Science department up to the second floor. This gave the basement rooms for use as Community rooms. Now our school building at last seems to fulfill the needs of our community.

Student Council

The purpose of the student council is to give suggestions of the pupils to the faculty and see if they can be carried out. They also suggest things that will help to make the school better. Some of the important points that the council accomplished this year were:

1. They helped to elect the yell leaders in a fair way.
2. They made an honor roll that eliminated all but the upper ten per-cent. This point was wanted by the teachers.
3. They passed rules for make-up work that were satisfactory to the teachers and the students.
4. They suggested a more satisfactory schedule for the morning periods.

Senior Class History

Sitting in cozy chairs, some of us knitting and some of us smoking pipes, we recall the memories of the happiest days of our life, our school days. We can see twenty-seven little children slipping shyly into Miss Marie's room. We remember these as; Robert Adkins, Ruth Bechdol, Dorothy Russell, Dorothy Baily, Ruth Bruce, John Beckman, Harold Crimmins, Donald Clary, Earl Howell, Earl Davis, George Elliott, Jean Ferguson, Billy Frushour, Esther Herd, Allie Mae Howell, Evelyn Jones, Frances March, Gerald Nies, Jack Pinder, Betty Remley, Edmund Roemer, James Samsel, Paul Stafford, John Weaver, Virginia Winn, Martha Winn, and Isabelle Webber. As our year got under way we obtained Robert Biddle and Joe Ross.

Were we ever embarrassed when we would be caught standing in the hall by our older brothers and sisters while receiving our punishment for whispering.

At Christmas Martha Winn left us to join the second graders in Miss Ruth's room.

When we had adjusted ourselves to school life we were promoted to the second grade. Mary Beghtel then joined us, only to leave at the end of the year but Robert Adkins, Dorothy Baily, John Beckman, Earl Howell, Allie Mae Howell, Paul Stafford, and Robert Biddle had decided they didn't like Lucerne. Miss Marie liked George Elliott so well that she kept him with her another year.

During our second term we were divided half in Miss Marie's room and half in Miss Ruth's room. This was the year Isabelle Webber was threatened to be tied to her seat for walking around the room and talking to Billy Frushour.

Miss Marie and Miss Ruth using the old quotation, "United we stand, divided we fall.", reunited us in the third grade with Miss Ruth. Donald Clary moved away but James Samsel stayed in the second grade to gain more knowledge. Charles Buttice, Eugene Jones, and Ralph Walters joined us but Charles and Ralph stayed only one year.

Proudly moving down the hall we entered the fourth grade with Miss Barrett as our teacher. Helen Bird, Gerturde Robinson, and Russell Baker joined us this year and again only to loose the two girls. It was this year that we all escaped final exams by breaking out with the measles.

With the question in all our minds, "Will I have my first man teacher," half of us stayed in Miss Bayless's room. We gained John Hart, Ralph Wils on, and Charles Malott this year. Charles decided to leave at the end of the term.

We were reunited in the sixth grade with our first man teacher, Mr. Jones. This was the year Earl Davis got his name of "Tuffy" after three whippings. Also we obtained our official note passer Zelpha Martin. Raymond Rice and Jack Farrer were with us this year only. Edmund Roemer, Eugene Jones, and Earl Davis stayed with Mr. Jones this year.

Up stairs, oh boy my last years hat won't fit. This year we got Bud Farrer and our Romeo, Carl Hassett, and at Christmas we found a Juliet in our midst, Mary Lou Jones. Jean and Raymond decided to try out Noble Township and Evelyn Jones went to Star City.

"Don't those seventh graders think they are smart, they act so silly," that was the thought that was in our minds as we moved across the assembly into the eighth grade. Francis Morphet liked the eighth grade so well that he stayed with us this year. Mary Beghtel and John Hart were graduated from Lucerne Junior High School and went to seek knowledge elsewhere.

When the sophomores gave us the proper initiation, we were formally entered into the Senior High School. Rosemary Cates and Jean Ferguson joined us this year only to loose Rosemary and Francis Morphet in the spring. This was the year that John Weaver and Isabelle Webber were awarded the American Legion medals.

What a punk initiation we gave the Freshmen and we thought it would be good. This year Harold Crimmins recieved the scholarship award. Eva Umbarger and Eugene Hicks enrolled in our class this year.

Junior play and reception were our main thoughts term. "Growing Pains" was our play presented on October 20, 1937. After months of work we gave the Junior and Senior banquet on April 21, at the Izaak Walton League. After the banquet we enjoyed a theater party at the show, "The Girl of the Golden West". Harold Crimmins scored again by receiving the scholarship award, also Zelpha Martin and Carl Hassett were awarded medals for citizenship and activities respectively. Donald

Clary, Douglas Harvey, and Edith Bish were our new comers this year. Donald Clary and Gerald Nies left at the end of the year to be replaced by Basil Nies the next year. Miss Blackketter, who was our sponsor, was glad when this year was completed.

Seniors, last but by all means not least, this year was chucked full of activities too numerous to mention. After twelve years of school fourteen of the twenty seven who started were graduated. The other ten joined us during the years.

Oh, dreaming again, what would we do without the dreamers of the past?

Senior Class Play

"One Mad Night" a mystery farce in three acts was presented by the senior class on April 7, 1939 to a well filled auditorium.

Don Cutter, a play wright, accompanied by his Chinese valet Wing, goes to the Cutter mansion. He finds the house full of lunatics under the care of Dr. Bunn. Among the inmates is Lucille, a beautiful girl, with an amazing story. Like a true Lochinvar, Don is just about to ride to her rescue when his fiancée and her mother puts in an appearance with their maid, Depression.

From that point on everything happens. Don succeeds in rescuing the lovely Lucille from a sinister fate only after a series of thrillingly funny escapades.

The Purple Moon

Cast: Helen Clary as Princess Felicia of Alsania; Drayton Spencer as Paul Edwards; Mary Clary as Jane Austin; Ralph James as Ted Noble; Martha Jane Fultz as Elsie Clark; Charles Bushing as Jimmie Kelton; Alice Crane as Emily Spencer; James Samsel as Oliver Briscoe; Elizabeth Ann Gates as Zelda Spong; Mary Madalynne Remley as Mrs. Crotcher; Eva Scheetz as Luella Austin; Harold Wilson as Karloff; Margaret Ann Montgomery as Miss Shaw.

Place: The living room of the studio apartment shared by Paul Edwards and Ted Noble, Greenwich Village, New York City.

Time: The present

Act I. Paul Edwards, while on a journey abroad, saw the Princess Felicia and fell hopelessly in love with her. Imagine his surprise when a strange young woman with a pronounced accent steps in his apartment and announces that she is the Princess Felicia.

Act II. Karloff, a crazy anarchist from Alsania and a roomer in the same house as Paul, discovers she is the Princess. Later when she is alone he tries to murder her but her cries bring Paul and others to the rescue.

Act III. Princess Felicia returned to tell Paul that her Uncle Otto has conveniently married a millionaire and that the Royal Family is going to France to live in her chateau. Paul is downhearted until she reveals all her plans, the main one being that Paul is to follow them to France within the next month.

Senior Class Prophecy

One cold bleak winter day in the year of 1960, sitting in front of a huge fireplace and watching the flames leap around the andirons, I began to doze. Memories of my youth made me realize the great changes that had taken place. The smoke seemed to curl into the pictures of the lives of the 1939 senior class of Lucerne High School.

In the pictures I saw Jean and John, school day sweethearts, happily married living on the farm of Jean's mother, southwest of Lucerne. They are very prosperous as they have three little "Weavers".

Harold Crimmins, professor of physics in the Jack-town High School, is still having a time deciding which June he wants to take to the altar.

Edith Bish, better known as Terry Means, having been starred with Bob White whom we know as Carl Hassett, the whistling star of Hollywood, in the new picture, "Gone with the Wind", is now conducting the Jitterbug Jamboree over station PUNK.

Carl, having lived his youth in a gay manner, has at last settled down with Mabel.

Ruth Bruce and Eva Umbarger are running a beauty parlor at Lease's Corner. Their faces are seen on all magazines advertising Sweetheart soap. One of their best customers is the divorcee of Roger Guy Thompson, Mary Lou Thompson, who is taking treatments to regain her school girl complexion, which she neglected while trying to keep Roger from marrying Mary Lou Meeks.

Eugene Hicks is now the main attraction at the Cole Brother's Circus. He is taking the advice of Dr. Joseph Ross, who has finally won the heart of Lois Winn and convinced her to settle down with him. Eugene is called the tallest man in the world being 10 feet.

Dorothy Russell and her millionaire husband own and operate the largest rabbit farm in the United States.

Russell Baker has taken his saxophone to New York and has taken the place of Tommy Dorsey on the Pick and Pat program.

Sally and her husband, Earl, are running the Gust grocery store in Metea. It is believed he influenced her with the numerous gifts.

Captain William Frushour, after dropping all girls, is now in the highest ranks of the U.U. Navy.

Isabelle Webber and Virginia Winn are living in Royal Center and are still trying to win the heart of anyone that comes along. I am sorry to say that they are, "old maids", and all of their flirting while young was in vain.

Jack Pinder is still waiting to find the girl he met while camping with Mr. Kitchel.

Ruth Bechdol is still spending the summers in the Royal Center tomatoe factory; and having gone with all the boys, has decided that Morris Williams is the only one she can keep up with.

Bud Farrer, after working as a mechanic with Jim Smith since graduation, has finally learned that the exhaust pipe does not go on the radiator.

Mr. and Mrs. Ralph Wilson are living on a farm north of Lucerne; his wife, Zelpha, is trying to remove the freckles from the faces of their four little children.

Esther Herd is still at home; she says she is helping with the work, but I think she has a "Reason" (spelled with a capital R).

Douglas Harvey is in Hollywood and is known as Tony Martin, the second. He cultivated his voice while taking boys' chorus in high school.

Last but not least Mr. and Mrs. Basil Nies are happily married in spite of the fact that Betty does not agree with her in-laws. Basil has at least convinced her that cosmetics should be used moderately.

Junior-Senior Banquet

The Seniors, guests, and faculty were entertained by the Juniors at a banquet on April 15, 1939 at the Lucerne High School Auditorium.

The theme was the "Voyage on Whithernow". An American Beauty Rose and a small sailor were given to every one present.

Freshman Initiation Party

On the evening of October 1, 1938 the Sophomore Class and its sponsor, Miss Brownlee, entertained the Freshmen Class, in the form of an initiation, in the high school gymnasium.

Seething with rage, the Sophomores vowed vengeance on the Freshmen because of the humiliation they had received the previous year.

Preparatory to the party, the Freshman boys were painted with lipstick and rouge and the girls were blackened with soot. In the evening the Freshmen were branded with a piece of ice, and were finally permitted to quench their thirst with pepper tea. All participated in games and later refreshments were served.

Those present were the Freshmen and Sophomore Classes, Miss Brownlee, Mr. Smith, Mr. Kitchel, and Mr. Williams.

Frank B. Kitchel
Our Athletic Director

Mr. Kitchel was graduated from Lincoln High School in the year of 1930. During these four years he played baseball and was one of Lincoln's star basketball players.

In 1935 Mr. Kitchel was graduated from Ball State Teacher's College. Basketball, football, track, and baseball were his main sports in his freshman and sophomore years. In his senior year he indulged in football and intramural basketball.

Baseball Schedule

The Lucerne Lions opened the baseball season by sharpening thier claws on Noble Township. They succeeded in downing Twelve Mile, Metea, and New Waverly. After these victories the Lions had hopes of taking the north half of the county but were upset by the first defeat by the Royal Center Bulldogs. The upset put a slide under the Lions. They succeeded in splitting the Young Bull Pups of Noble Township but were unable to repeat thier former victories over Twelve Mile, Metea, and New Waverly. The Royal Center Bulldogs were clawed badly by the Lions in the last game of the season. The schedule is as follows:

Halloween Social

The Lucerne High School held its annual Halloween Carnival in the school gymnasium Wednesday evening, October 26. The door admission to adults not masked was five cents. A door prize was awarded to Mrs. Harry McNaught.

Each class and its sponsor was in charge of a different activity. Members of the Senior class gave a one act comedy, "His First Shave", to a full auditorium while the Junior Class successfully operated the refreshment stand. The Sophomore class tactfully sponsored the ever popular bingo game. Many won valuable prizes. The Freshmen class kept the party in full swing by selling confetti, canes, and other novelties.

The Junior High students showed their salesmanship on the popularity contest, which was won by Mary Clary, on the fishpond, and on basketball, nigger baby, and dart throwing.

Merchants, donating prizes, were as follows: J.A. Frushour, Mayhew's Store, Bell's Restaurant, Gene's Garage, Hoover and Kidd, C.B. Carlton, True-Hixon Lumber Company, and Martin's Store.

The total receipts were \$105 and expenses were \$50. The net profit of \$55 was placed in the school fund.

The Christmas Program

The Christmas program, sponsored by Miss Brownlee, was opened by singing, "O Babe Divine" by June Ann Winn. This was followed by a presentation of Christmas in Many Lands. The Girls' chorus and the Junior High students did their part to make the program a success. After the presentation of the tableau, gifts were distributed by members of the Senior class.

School Calendar

- September 2 The first day of a new school year. We find two new teachers, Miss Brownlee and Mr. Williams to break in.
- September 7 The Lucerne softball team held its first practice. A large group of future stars were present even Freshman Jimmy (Percy) Frushour who fell over a haystack backwards.
- September 9 The twelfth grade health class went on a field trip to Logansport State Hospital. Much to our delight we all came back, even Smith and Kitchel.
- September 13 School gossip has already picked Johnny Herd for Miss Brownlee's beau. (Maybe it is satisfactory to those not involved).
- September 23 Margaret Herd entertained the Sophomore class at her home. Mr. Harry McNaught Jr. was an honored guest.
- September 29 The Freshman Biology class went on a field trip today. One big little farm girl tore her slacks and scratched her knee when she climbed the fence. Was it Winn?
- October Nothing very important happened this month except that we won a softball game with Royal Center and they couldn't take it! Our Halloween Carnival was a howling success.
- November 7 This is educational week. Mr. Kitchel with the aid of Zelpha Martin, Eugene Hicks, and Harold Crimmins gave the first program on Healthy Bodies and Able Minds. (Teachers just can't get along without the students!)
- November 8 Miss Hall sponsored the program today on Mastering Skills and Knowledge of English. We learned that the slang "Toots" is about two years behind the time. How about "Butch"?
- November 9 Miss Brownlee presented a program on The Attaining of Values and Standards.
- November 10 Mr. Smith gave a one man program entitled, Accepting New Civic Responsibilities. He got along without the help of a student but he's the principal.
- November 11 Miss Finton and Mr. Williams gave an Armistice Day program. Mr. Wild from Logansport American Legion was the feature speaker.
- November 18 At dismissal this evening Mr. Williams informed us like geese squawking. He got a big hand from the student body.

November 23 Extra! Mr. Williams was proclaimed the father of a fine baby daughter, Ramona Glee.
 November 28 F. B. Kitchel was absent today. His Ford V8 suffered from external injuries when it tried to pick a scrap with another car. We also hear that Washington Township is minus a teacher this week!
 December 2 We beat Walton---almost. They only had seven points more than we did.
 December 7 The romance of Mary Clary and Drayton Spencer is in full bloom.
 December 12 If Lucerne boys got around to Logan-sport gals as Lucerne gals get around to Logan-sport boys---would they go places!!
 December 16 The romance of Mary and Drayton bloomed, withered and Charles Bushing caught the redhead on the rebound.
 January 2 Vacation is over! Mr. Smith said that he was glad to be back in school. There was no response from the student body.
 January 6 Happy days are here again. We defeated one of our foremost enemies, Grasscreek, in a close contest.
 January 13 Royal Centre bulldogs were too much for the Lucerne Lions.
 January 21 Royal Centre won the county tourney. Lucerne was eliminated in the first round. Maybe we'll do better next year.
 January 25 Mr. Smith posted a new rule in his little black book----no more skating parties under the supervision of the school. (Too much responsibility).
 January 30 School gossip is picking up! We hear that Esther and Carl got the miracle V8 stuck in a snow drift-- All the king's horses and all the king's men couldn't pull'em out!!!
 February 3 Bill (Romco) Frushour was badly disappointed when a Yankee gal whom he saw, met and fell for-- did not appear at the ball game.
 February 6 It is being rumored that George Elliott has been making frequent visits to Walton. Is that why the Lucerne girls don't rate!
 February 10 Five senior boys picked splinters out of their basketball suits tonight as a result of disobeying the coaches command. Onward walloped us.
 February 20 Monrocnille Cubs and the Lucerne Lions scrapped. They tried to persuade Mary

Madalynne to return home with them since she is such a good cook!!!!?

March 2 Betty Remley, one of our most ardent and frantic basketball fans, certainly stamped her foot in anger when swelled glands would not permit her to attend the sectional.

March 13 A blond haired Romeo from Pulaski joined our class today. The girls took to him as ducks take to water.

March 16 Did we hear Dorothy Russell's name mixed up with Drayton Spencers ?

March 20 Sally and Dick are in the midst of a love affair----Is it love or Sally's birthday ?

March 21 The seniors went down to Harrington's Studio to break his camera. He told us what the pictures cost and we couldn't even force a smile.

March 24 Pauline Ferguson, a flirting little eighth grade girl, just wasted her pretty smile on Mr. Jones. He gave her a sound spanking for running in the hall.

March 31 Mary Clary did not ride on the school bus this evening. The boyfriend met her at the door! What Next???
