CLASS MOTTO

Elevator to success is not running; take the stairs

In 1935, six of the thirteen graduates of '48, Bonnie Clary, Jayne Jones, Betty Herd, Dick Powlen, Robert Powlen, and Mary Stevens shyly entered the first grade. Miss Marie Blackburn helped us to start our school career. Mary Jo Brandt from Metea and Jim Burrough from Logansport joined our class in the fourth grade. In the fifth grade Tom Beckley and Ruth Henry entered our class in the well-known Casey's room. Donnabelle Swank and Kenny Ingram joined in the ninth. Norma Chapman entered in the junior year.

After numerous changes in membership we enrolled as freshmen in 1944 with 20 members. We welcomed Lee Webb, Lona Faye Brunner, and Donnabelle Swank as new members. The Seniors of '47 initiated us from every angle. Such treatment was rough but at last we were in high school. It was this year that we enjoyed field trips with our biology teacher, Mrs. Kistler. We elected the following officers: Betty Herd, president; Frances Watts, vice-president; Mary Stevens, secretary; and Bonnie Clary, treasurer. We chose Miss Hall as sponsor and Mary Lou Miller and Mary Thelma McQuinn to represent our class in Student Council.

This year passed swiftly and soon we stepped up the ladder of knowledge and became sophomores. We elected Lee Webb, president; Kenny Ingram, vice-president; Mary Lou Miller as secretary-treasurer; and Miss Hall, sponsor. We had great fun initiating the "freshies". The shop boys furnished us with paddles that were a snap. Mary McQuinn decided for matrimony and dropped out this year.

Our junior class was organized with the following officers: Lee Webb, president; Jim Burrough, vice-president; Mary Lou Miller, secretary; and Mary Stevens, treasurer. Mrs. Gergel sponsored our hard working class this year. Mrs. Anna Brandt directed our class play, "Mama's Baby Boy" which was a hit. After much planning we honored the class of '47 with a delightful reception at Izaak Walton League. Norma Chapman from South Bend was welcomed to our class.

We first realized the true fact that we were Seniors when we were shot at Pohlman's Studio. Our attendance dropped this year. Lee Webb moved to Florida, Mary Lou Miller to Logansport, and Lona Faye Brunner to Royal Center. With Robert Powlen, president; Mary K. Stevens, secretary-treasurer; and Norma Chapman, vice-president we WORKED for our goal, a trip to Washington, D. C. For the fourth year Miss Hall gave us her splendid help as sponsor. Wedding bells rang for Frances Watts in November, when she left our happy throng. Our activities kept us busy. Our Senior play "Mother-In-Law Blues" directed by Miss Hall, was given in March.

So we came to the end of our high school career with happy memories of Lucerne High School.

Clear Hill

We, the Class of 1948 of Lucerne High School, of the County of Cass, and of the State of Indiana, being of sound mind and body after 12 strenuous years (for some 13), do hereby make, publish, and declare this as our last and best will and testament; hereby revoking all former wills, bequests, and devices of whatever nature of form heretofore made by us.

We, the Senior Class, do bequeath to the Junior Class our ability to make money, so that they may have an opportunity to go to Washington, too, next year.

We, the senior girls, do bequeath to the junior girls our ability to destroy all of our critical notes, so that they won't be found.

We, the senior boys, do bequeath to the junior boys our ability to get out of classes and to walk in the halls, so they won't get called in the office next year.

I, Bonnie Lou Clary, do bequeath to Elaine Frushour my ability to be in class on time, so next year she won't have to think up ridiculous excuses.

I, Ruth Henry, do bequeath my ability to take teasing about being fat to Nancy Winn, so she will get along with everyone next year.

I, Donnabelle Swank, do bequeath to Lester Elliott my ability to get home early the night before, so he can stay awake in physics class.

I, Jim Burrough, do bequeath my ability to get a car to Janet Chapman, who has to come to ball practice to get Fay to take her home.

I, Norma Chapman, do bequeath to Beulah Osborn my ability to tell the truth, so she won't get so mixed up with her boyfriends next year.

I, Kenny Ingram, do bequeath to Lester Elliott my position as student manager, so he may get a sweater when he is a senior.

I, Robert Powlen, do bequeath to Lester Wallace my ability to play basketball and not to lose my temper, so he can stay on the team all year.

I, Mary Jo Brandt, do bequeath my love for the Metea boys to Georgiann, who is following fast in my footsteps.

I, Tom Beckley, do bequeath my ability to the juniors to keep my nose out of other people's business and to argue, so they will get along with people better next year.

I, Mary Stevens, do bequeath to Bertha Jo King my ability to make a dress without too much help, so Mrs. Wharton can be teacher instead of pupil.

I, Jayne Jones, do bequeath my ability to turn down dates to Elaine Frushour, who keeps two or three boyfriends on the string each night.

I, Betty Lou Herd, do bequeath my ability not to torment people to Sarah Jane Herd, who seems to make that her hobby.

I, Dick Powlen, do bequeath to Travis Kidd my ability to drive a car, so that he can drive his father's new Hudson next summer.

PROPHECY

In the year of '68" while going to Paris for our vacation, we noticed a passenger whom we though we recognized. On closer observation we found it to be Jayne Jones, one of the seniors of '48. We found out Jayne was going to Paris to buy clothes for a large clothing store in New York where she now works.

We inquired about the other seniors of '48 and learned Bonnie Lou was living with Jayne. Bonnie is now a very successful model but as yet is unmarried.

Betty Lou, unlike her closest friend, is now residing with Bud on a farm north of Lucerne. They are training all their little Buds and Bettys to be Waves and Sailors.

Mary Jo is living in Annapolis, Maryland, near the naval base. She is still trying to latch on to a man and she thought living near a naval base would give her a better chance. Thus far she has had no luck.

Jim, after graduating from Ball State is now one of their most outstanding, but absent-minded, professors. It keeps Donnabelle very busy keeping up with the other professors' wives in social events.

Robert, now married and very happy with wife, Nancy, is residing on a farm north of Lucerne. Robert is trying to get his boys to do as well in 4-H as he did.

Mary K. is in Chicago where she writes the Love Lorn Column. She is still pining for her long lost love.

Speaking of love, Kenny is still trying to win Elaine, but as yet has had no luck. She just won't settle down and learn to keep house.

Lucerne now has one of the largest hospitals in the state. Ruth and her husband, Dick Ash, founded this soon after their marriage. They are hoping their children will follow in their footsteps.

Dick P. is chief-of-police in Lucerne. He still doesn't think much of girls but is married and has two children, Travis and Janet, named after his closest schoolmates.

Norma has made her home with Janet and her family in South Bend. She is still trying to keep Janet in the right track. We wish her luck.

Speaking of luck, we wish Tom and his wife, the former Shirley Ash, luck in getting their boys on Purdue's basketball team and their twin girls, Charlene and Darlene, for yell leaders next year. They reside in Lafayette, so the children are near the college.

After arriving in Paris, we bade Janye good-bye and continued on our way.

Nancy: "Kissing is childish."

Robert: "You're so right, baby."

Miss Hall: "A fool can ask more questions than a wise man can answer."

Health student: "No wonder so many of us flunk your exams."

Elaine Frushour vacationing in the country became friendly with a farmer boy. One evening as they strolled across the pasture they saw a cow and a calf rubbing noses in the accepted bovine fashion.

"Oh," said the farmer boy. "That sight makes me want to do the thing."

"Well, go right ahead," replied Elaine. "It's your cow."

CALENDAR OF '47 & '48

- Aug. 29--Registration Day. What subjects are you going to take?
- Sept. 2--The Senior Class is so quiet this year. Could it be because of the absences of Lone Faye, Mary Lou, and Lee?
- 4--A representative from Home Studio was here to show pictures to the seniors.
- 5--Our first ballgame was rained out. Could it be that Royal Center was afraid of us?
- 8--Evidently not. Nuf Sed.
- 9--Seniors voted to have pictures taken at Pohlman's.
- 11--Donnabelle, who took you home last night from the free show? Does Jim know about this?
- 12--Played Metea. Got beat.
- 15--Beat New Waverly.
- 16--In Health & Safety, Charles Eddie tried to tell Miss Hall that she had a gizzard. Really now!!!!
- 17--Beat Twelve Mile. Also hear that the seniors are going to work at the Canning Factory on Thursday nights and the juniors on Friday nights. Could it be that they don't get along?
- 18--Mary K., why didn't you let Frankie take you home last night?
- 22--Some bright person left the music room window open and the piano got slightly damp. Won a ballgame from Grass Creek.
- 23--Seniors voted on caps and gowns today. Who is the new 8th grade girl who is causing all the commotion among the 9th grade boys?
- 24--Everyone, from now on, is to walk down the stairway for luncheon, not run down. Did you hear, Jim? Photographers took pictures.
- 26--The seniors are a sorry looking bunch today. A night at the canning factory must be hard work.
- 29--Charles Remley has taken to singing solos in the assembly, of all places. At least that's what Casey called it. Pop-corn popper came today, and a very nice man demonstrated it, after that we passed around the pop-corn. (Among the seniors, that is!)
- 30--Beat Grass Creek, again!!
- Oct. 1--All students, 15 or over, went to Royal Center today to have their chests X-rayed for T. B.
- 2--Some of the senior boys still have some of their habits left over from babyhood, so if you hear a loud burp, don't think a thing about it. It's probably Kennie or Tom.
- 3--Amazing things do happen at the canning factory. We hear that Bonnie was called a "blonde tomato" by a good-looking fellow. Also, Joan W., isn't it carrying things a little too far, with four in the front seat and three in the back-seat? Kennie's car must have an awfully big front seat. (Hasn't it, Tom?)
- 6--Miss Hall had to donate blood for the microscopic study in Health Class today, as Tom Beckley failed to draw any. Doesn't he have any?
- 7--Home Ec. III trip to Logan to see Bendix demonstration at Schraders.
- 8--Voted on student council constitution, and it was passed.
- 9--What do the juniors have during play-practice? From the looks of the bottles in the assembly, Well! What did Betty Lou find in her desk today? Really, Betty!! More of same.
- 10--The seniors went to the canning factory last night all prepared for the worst. But what happened? No tomatoes, no work! Whoopee!!!!
- 11--Coach and wife are proud parents of a daughter, Claudia Jane.
- 14--Visitors at school today? Nope, seniors are going to get their pictures taken. Senior hayride and party. Miss Hall would still like to get hold of the ones who started to throw straw.
- 16--What's this we hear about Mary K. and her counterfeit money?

Calendar (continued).

- Oct. 17--Freshman party. Miss Finton substituted for Mr. Minniear because of the death of his father.
21--Seed and Eull visited school. Juniors got class rings.
22--Arabs at school today? Don't be alarmed. It's just the junior girls with their hair up for the play tonight. Yell-leaders selected.
27--Just back after teachers' institute. Wish it would happen often.
28--Will those senior boys never learn to cease yelling in the Typing Room?
30--Halloween Carnival. No afternoon classes. Why don't we do this more often?
31--Everyone seemed to have survived the Carnival last night, but oh, that left-over chili!
- Nov. 3--Just about everybody got shot for Diphtheria and vaccinated for Smallpox today.
5--Lost our first basketball game to Washington Twp. The yell-leaders are demonstrating hats that are on sale. As Casey Jones says, "The ones wearing them look like Donald Duck's nephews."
7--Played Metea tonight. The Hornets stung, but good.
10--What was Jim's sack of pop-corn doing going around the assembly today? We hear that Casey even took some. Don't get alarmed, though, because the orders were to eat it when the period was over.
11--So Jim now has a front row seat in Health Class. Miss Hall must like to feast her eyes on his beautiful countenance. Junior party last night.
14--Will the seniors and juniors ever cease fighting?
15--Lost a tough ballgame last night, but nobody seems to think it was our fault. Wonder why!!!!
18--School out an hour early today for the big Balloon Parade.
Frushour's Garage burned and two schoolbuses were destroyed.
21--Game at Twelve Mile. Got beat by a score we'll not mention.
22--Who were the three girls that didn't go home on the fan-hack last night? Ruth? Elaine? Georgiann?
25--Big day for the seniors. Went after advertisements in Logan. WE ALSO BEAT GRASS CREEK!!!!!!
26--Thanksgiving Program today. Junior dance.
27-28--Vacation.
- Dec. 1--Back to school. Someone ask Joan W. where she was during Thanksgiving vacation.
2--What's this we see in the paper this morning? Only 13 seniors now. Congratulations, Frances!! These junior girls can be so dumb, can they not be, Bertha? Senior boys went to Kewanna and Grass Creek after ads. (We think.)
3--Fay, does that song with the two words--Hum Da--have another meaning? Senior girls traveled to Royal Center after ads.
4--Seniors seem to be taking turns visiting the office. Why? Our senior schedule has been disrupted. We had all of our classes today. They should spring those on us gradually.
5--Played New Waverly--good game--only we lost.
8--The topic in discussion in Health class--Is alcohol good for one if cooked in food? Answer is given by Charles Eddie--I know some people that put whiskey in barley, and it's good too.
9--Senior name cards came. Sophomores went to Logan in the A. M. to browse around the library. Freshmen buzzed to the dairy, water-works, and to the Quality Ice Cream Co.
10--A rock just rolled across the assembly floor. (Pause for second glance) No, it's just a wad of Hedde's bubble gum.
11--Anyone want to buy a magazine, huh? Seniors (Sadsacks) ahead of Juniors (Hepcats) on magazine sales.

Calendar (continued).

- Dec. 12--Well, the fight is on. Senior-junior conversations are not pleasant to hear, now.
(Were they ever?) Why is everyone calling Nancy, George?
- 15--We see Fid is calling for June Brown after school now. Girls, are you jealous?
It's expensive to have a short in the electricity, isn't it, juniors?
- 17--The 5th and 6th grade had a new teacher today. How much did you learn, Jayne?
- 18--Bill Cook had better be careful about the letters he leaves in his library books that
he turns in. They're very interesting. Will Jim never learn not to stand on the arm
of a chair while decorating the Xmas tree?
- 19--Played Star City and got beat.
- 22--Hepcat and Sadsack contest over--Sadsacks won--Bring on the Chili, Hepcats!
Mary Lou and Bob Miller visited school today.
- 23--Xmas Program--Everyone went caroling last night and are sick today. Played
Kewanna and got beat, again.
- 27--What happened to "Brownie" at the Junior Dance, or is that what Joan wanted to know.
- 29--4-way tourney at Royal Center. Metea only beat us 3 points in the first game, but
Royal Center beat us, too, in the Consolation. New Waverly beat Metea and won the
trophy.
- 31--New Year's Eve. Pass me the bottle-----of ginger ale.
- Jan. 1--Should auld acquaintance be forgot!!!!
- 2--Pass the icebag and bicarbonate!!!!!!

* * * * *

Two seniors girls were discussing church affairs when one remarked, "We certainly have a very small congregation."

"Yes," replied the other, "It's so small that when the minister says 'Dearly Beloved,' I feel like I am receiving a proposal."

* * * * *

Jim: "My girl friend is a twin."

Robert: "How do you tell them apart?"

Jim: "Her brother's taller."

* * * * *

* * * * *

Tom: He asked me what I meant by kissing his daughter in that dark corner last night, and after seeing her in the daylight I sort of wondered myself.

* * * * *

Lester: "You've gone out with uglier fellows than me, haven't you?"

(Silence)

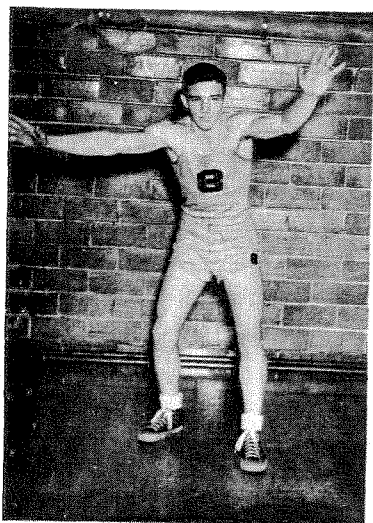

Lester: "I said, dear..."

Roberta: "I heard you-I'm just trying to think."

JUNIOR HIGH

SENIOR POEM

At last we've come to the end of the mile,
We've come, we've weathered, and passed every trial;
The last few years have passed quite fast,
And now we wish they'd ever last.
In the freshman class we picked up Kenny,
And then we numbered over twenty.
When sophomores in history with Shanks
We played on her a number of pranks.
When juniors we got in an escapade,
For which we think we dearly paid.
As seniors our feuds with the juniors were many,
Because we left them without a penny.
To nearly all things we've given a try
Now we bid adieu to old Lucerne High.
